

Child Care Licensing in Connecticut: Open Forums

We want to hear from you!

**Please attend our Child Care Licensing forum, open to anyone
interested in Child Care Licensing in Connecticut.**

The Office of Early Childhood has asked the National Association for Regulatory Administration (NARA) to conduct forums to hear from anyone interested in Child Care Licensing. NARA will also share results from the recent survey to identify programmatic strengths and areas for improvement in Connecticut's Child Day Care Licensing Program. The forums will be conducted by NARA and State staff will not be present during the discussion.

NARA is an international professional organization dedicated to promoting excellence in human care regulation and licensing through leadership, education, collaboration, and services. NARA's researchers have been studying child care in the United States for over thirty-five years.
